

**Terms and Conditions for Riders**  
**Registering for the 2024 Windsor Lions Sponsored Cross Country Horse Ride**

### **Insurance**

While the Lions Club of Windsor arranges insurance to protect its own liabilities, riders must ensure they are suitably insured for a public event. No claims can be entertained for anything that may happen to riders, onlookers, their property, servants, or horses, in connection with, or arising out of the event. It shall be considered a condition of entry that each entrant shall agree to indemnify the promoters against any legal action arising from accidents.

### **Who is Eligible**

1. The ride is open to horses & ponies 4 years old and up, in good health & controllable.
2. There is no lower age limit for riders however, anyone taking part who is under the age of 16 must be accompanied at all times by a responsible parent or Guardian. Bicycles are not permitted.

### **Riding Around the Course**

3. The ride is 8 – 9 miles long and includes approximately 40 jumps of various size and difficulty, with a non-jumping route alongside (walk past). The ride is NOT a race, **all jumps are voluntary** and open to both jumpers and non-jumpers. The obstacles are such as would be encountered while out hunting. There will be a choice between jumps that are suitable for a novice (approximately 30 cm – 70 cm) and those of a more testing nature for more experienced riders (approximately 90 cm to 150 cm). Riders will not be eliminated for refusal and allowed up to three attempts at each obstacle. However, after a third refusal, riders must move on and no further attempts will be permitted under any circumstances.

### **Safety Attire, Horse Welfare & Appropriate Behaviour**

4. All riders must wear appropriate hard hats for cross country in good condition and conform to Pony Club UK latest rules. Riders participating in the jumping course must also wear body protectors conforming to (EN13158) BETA Level 3, or latest Pony Club UK guidance if different.
5. Riders are required to complete a rider's details and medical card, carried in an armband holder, or if not possible, in an outside pocket.
6. Poor riding, e.g., hitting a horse, not being in control, riding too hard, the horse seems distressed (this is not an exhaustive list), will lead to the rider being disqualified and requested to leave the course. Failure to carry out instructions of the course Stewards may lead to disqualification. Riders may drop out mid-course but must notify the nearest Steward if they do so. Retiring riders will be issued with a certificate on application to the Secretary's Tent.
7. Please be courteous to all our staff and helpers, they are there to assist and guide you and offer their time freely. Any form of abuse will not be tolerated.

### **Dogs**

8. Dogs brought to the event must be kept on leads and always under control of the owner(s).

Property of The Lions Club of Windsor and subject to amendment from time to time by the Club.

## Decision & Arbitration

9. The decision of the Organising Committee on any matter shall be final.

## Indemnity

10. No claims can be entertained for anything that may happen to riders, onlookers, their property, servants, or horses, in connection with, or arising out of the event. It shall be considered a condition of entry that each entrant shall agree to indemnify the promoters against any legal action arising from accidents.
